

National Trails Day Celebration, Saturday, October 9, 2010 – Henderson Pavilion

July 26, 2010

Friends of Southern Nevada Trails:

We have 82 days to our big event on Saturday October 9, 2010.

This week we have had two exhibitors step forward to help us spread the word about trails and open spaces in southern Nevada. And they will help us achieve our goal (which is also our motto this year) “Building a Trail Community” in southern Nevada. Thank you for the “Exhibit Space Applications.”

- **Friends of Nevada Wilderness**
- **Nevada Commission on Tourism/Nevada Magazine**

If you have a “trail” message why not join us with a free booth space at this years’ celebration. It easy to get a space, just click on the link, download the application, fill it out, sign it and send it back to Jennifer Magby or myself. Go to the links section at the bottom of this page.

Thanks goes out to Jill and the good people at the Boulder City Chamber of Commerce which created a link and a short piece about the 2010 NTDC in their July 14, 2010, “*Weekly Chamber Broadcast.*” Thanks! We appreciate the PR help!

We are looking for sponsors. Be a trail and open space hero and help offset some of the costs of our celebration. Three major sponsorships are available, \$100, \$500 and \$1,000. And, starting at the \$500 sponsor level you get a free canopy set up for you at the event. Contact Jennifer Magby, for the low-down on NTDC 2010 sponsorships. Two Stages? You bet! We will have the main stage (the Henderson Showmobile) for the big names, big announcements and all things BIG.

A second, smaller stage, will be at ground level and will have the hands-on presentations such as the REI GPS 101 class, the tortoise awareness class from the Bureau of Reclamation and if we can find him the Dennis McBride area history class.

We hope to have seven programs scheduled every half hour, on the smaller stage. If you have an idea for a presentation please contact me.

Are you a Scout? Need an Eagle Project? Why not create an exhibit that helps the public with life outdoors, or with outdoor first aid, or animal education. Contact Jennifer Magby for details. My favorite Scout exhibit from last year was the bat presentation and the bat houses he made that are now near Equestrian Park.
