Mary Ellen Donner to Open 2010 National Trails Day Celebration

The 2010 NTDC committee is extremely pleased to have **Mary Ellen Donner**, C.P.R.P., Parks & Recreation Director, City of Henderson, give the "official welcome" for our event at 9:30 A.M. Saturday morning. Mary Ellen has been a strong supporter of the last three National Trails Day Celebrations. And, this support has taken our event to the level you see today. If you see Mary Ellen, be sure to ask her why she was inducted into the Nova Scotia Sports Hall of Fame and thank her for her help with our event.

Exhibitors are asked to showcase the "Neon to Nature" placards

If you were a 2009 exhibitor and participated with the "**Neon to Nature**" Program, you received a "booth placard." We have been asked to remind you to find your plaque and have it posted prominently in your booth. Questions? Contact **Mauricia Baca**, (702) 715-0226
mbaca@outsidelasvegas.org

The Nevada Regional System of Trails and Open Spaces workgroup developed the brand "Neon to Nature" to emphasize and inform residents and visitors about extraordinary opportunities to experience the other side of Las Vegas – the natural non-Strip experience.

"**Neon to Nature**" Open Space & Trails System provides an interconnected system of trails in Southern Nevada linking residential, civic, commercial and business landscapes to park, open space and recreational facilities operated by federal, state and local governments.

"**Neon to Nature**" also has a "Health Walk" component. A Neon to Nature Health walk will be held at the National Trails Day Celebration after the Nevada Children's Outdoor Bill of Rights presentation. So bring you walking shoes on Saturday and join in with the fun!
