

Update # 7. National Trails Day Celebration, Saturday, October 9, 2010 – Henderson Pavilion

August 16, 2010

Friends of Southern Nevada Trails:

**We have 54 days** to our big event on Saturday October 9, 2010.

**It has been a slow week.** I guess everyone is trying to squeeze the last fun days out of our summer before school starts. However, we did have two new exhibitors submit their paperwork this week.

- Nevada Division of Minerals
- Republic Services, Inc

If you have forgotten, the **Nevada Division of Minerals** is a fun group. I am very pleased to see their paperwork. Last year they had bat tattoos, a mockup of a closed mine and other fun items to remind you to stay out of abandon mines.

Hopefully, **Republic Services** can tell us about their “One Can” recycling test program. The program is being run in Henderson. (Not Las Vegas where I live.) And, while it is not a big deal to use the three recycling bins, it would be nicer to use just one. And, maybe they can help us with our event recycling too!

Thanks again to these two new exhibitors for joining our Celebration.

**Sponsors**

**Ten organizations** are helping us sponsor or underwrite the costs of 2010 National Trails Day Celebration. Thank you one and all... and if you too would like to help with the costs of our celebration please contact us today!

What is the “**Nevada Children’s Outdoor Bill of Rights?**”

This year, **the 2010 National Trails Day Celebration** is featuring two organizations as our focal points for the 2010 celebration. They are the River Mountains Loop Trail and the **Nevada Children’s Outdoor Bill of Rights** (NCOBofR).

While most of the fun details about the NCOBofR, and I do mean fun, are under wraps until October 9, 2010. We can tell you some preliminary information. And, after reading the following, you will see why the **Nevada Children’s Outdoor Bill of Rights** is our headline “act.”

“The **Nevada Children’s Outdoor Bill of Rights** is being created to serve as a shared vision for improving the health and quality of life for our children by getting them physically active and connecting/reconnecting them to nature and the outdoors. It features a list of activities that every child in Nevada would benefit from experiencing.

**“The children of Nevada have the right to discover and experience the outdoors through the following activities:**

- **Create an outdoor adventure**
- **Explore a trail**
- **Camp under the stars**
- **Go fishing**
- **Discover nature**
- **Explore Nevada’s heritage**
- **Go on a picnic**
- **Play in a park; in the water; in the snow; on the rocks”**

====

I just love the bullet point list. It is something (all of it) that I did as a child. And, the memories are with me to today. So, I am very excited to see what this group brings to the 2010 National Trails Day Celebration and to our State. For more information - [Click on this link.](#)
